

## FEE SCHEDULE

### Book

If you are contracting for a book, the price will vary according to whether it is fiction or nonfiction, the final length of the book, the research involved, the amount of collaboration you are willing to do. The contracted payment schedule involves a non-refundable deposit and a schedule of payments as outlined in the contract. The pricing for all books includes editing.

**NONFICTION** books often involve a lot of research. Therefore, the prices range from \$10,500 to \$50,000. There are exceptions, but these will be determined on a case-by-case basis. The length and research required are primary determinants.

**FICTION** requires you to be closely involved in the strategizing on your storyline and character development. The pricing for fiction is determined by the breakdown in the table below.

Type of Fiction	Word Length	Cost
Short story	Up to 25,000 words	\$12,500.00
Novella	25,000 words up to 40,000 words	\$20,000.00
Novel	40,000 words to 60,000 words	\$30,000.00
	Each 10K word range increase after 60K adds an additional \$5,000.00 E.g. Cost of 90,000 word novel is \$45,000	

**FEES** charged by Heart Song Ghostwriting only cover the process involved in writing & editing your book. They *do not include* book cover design, printing, distribution or any other parts of the publishing process. We do provide client resources to help you decide where to outsource those elements or perhaps do some of them yourself.

Please be aware you will need to be available to communicate about the book throughout the process for both fiction and nonfiction. This involves interviews, answering questions, and reviewing and providing feedback on drafts.

Failure to collaborate will affect the character of the book and may ultimately affect the time frame if we have to wait for your feedback.

Working with us, you will be the guiding artistic force in the book-writing process as your ideas and stories come to life.
